

PITTSBURGH CHAPTER OF THE SOCIALIST RIFLE ASSOCIATION

RUSTBELT RENDEZVOUS 2023 CAMP GUIDELINES

- We work to create a platform, environment, and community of members and like-minded individuals that are free of reactionary influences and prejudices, such as racism, sexism, ableism, homophobia, transphobia, and other discriminatory ideologies.
- We are a big tent org. Keep ideological discussions in good faith.
- The campground and Allegheny National Forest is an important place for many of us. Please give the space the respect it deserves in all ways.
- Please clean up after yourselves. We keep us safe, we also keep us clean.
- No visible or worn armor or kit in camp.
- Everyone will take a COVID rapid test 24 hours before coming to camp.
- The group campsite will be substance free for the weekend, per chapter bylaws, federal law and a desire to welcome everyone.

FIREARMS

- Firearms are to be stored and locked while at camp. The only time they should be removed is to and from the range, or at specific cleaning times posted in the schedule.
- Be aware of the 4 rules of safety at all times.
- Concealed carry is a-ok as long as you have a valid permit for PA and it stays concealed.
